INT. OFFICE

On the angel's screen, there's a typing indicator on slack from God. "I'm bringing up 5 humans".

New message: "For the Earth 2.0 project".

New message: "Need someone to interview them".

Angel Sarah is nervous, looking around.

Typing indicators of other angels, the Angel quickly types "i'll do it". Then edits the message to "I'll do it". Then to "I'll interview the humans". She grabs a notebook, starting to write some notes that camera doesn't see.

New message: "Great"

INT. CONFERENCE ROOM

Sarah is flipping through her planned out conversation's in her notebook

SARAH

This can't even be that bad, I'M
the one in control, I'm the angel!
They're just humans. Just the
humans who represent the entirety
of humanity.

She opens the door, and camera flips revealing 3 white men.

SARAH (CONT'D)

Hi! Hello! Uh... Good ethera- Good
Morni- Never mind, uh.. sorry,
Thank you all for... Thank you for
participating, I'm an angel,
and.... today we're getting some
feedback on the human experience!

MAX

Can I get moved to heaven for this?

SARAH

You... sold peoples organs to buy
pictures of feet

The other 3 people glance at Max

MAX

(dismissive)
Yea well I mean-

SARAH

Okay, uhm, lets just start the session

Sarah looks at his notebook where he has 15 topics written.

SARAH (CONT'D)

Lets start with sleep, how do we feel about it, what are our tho-

MAX

I loved it, getting comfy in bed after a long day, and you get to relax. It's really satisfying.

KYLE

That whole sleep thing was fucking horrible. 3 points on this, First, waste of time. Second, you're unconscious, no control over what my mind was wasting time on. and third, ruins my rhythm.

DANIEL

(slowly)

Right, but... Why... are you so convinced... that sleep is the enemy? Have you ever thought... maybe sleep is the *only* time... your mind drops... the illusion that it is in control?

KYLE

No I haven't. Let me think about that. Thought about it, that's stupid.

SARAH

Lets try getting back on-

BRENDA

Wait he has a point, don't these angels and God have it all figured out for us?

SARAH

Well-

KYLE

No, I worked hard and I became successful, not because God said I would

DANIEL

Right But... maybe you were...
destined to be... hard working and
successful

KYLE

Oh yeah without a doubt I was made
to be successful

DANIEL

Right, So you agree with me

KYLE

(suprised)
What no

SARAH

OKAY OKAY! I think I've gotten
enough feedback on sleep, lets move
on to... Emotions? Yes, Emotions-

MAX

I think they're fine, they're all
great, no need to mess with them

KYLE

Even the sad and depressing ones?
what the hell is the benefit of
those. Personally, and if we're
being honest this is just a fact,
we only need happy emotions

DANIEL

Right, but could you enjoy those...
positive emotions, if you didn't
have the contrary to oppose it?
Would it not be a blend of of
monotonous feelings?

SARAH

Daniel, I.. I think- I- I-really
love, these... ways you're framing,
or, the- your philosophical
insights, but I'm looking for more
actionable feedback

DANIEL

Right-

SARAH

Ok I think I got enough feedback on
feelings, or emotions, nevermind.
Lets try a topic that, you might be
a bit more inciteful in. Purpose.

(MORE)

SARAH (CONT'D)

What do we think about the meaning
of life being-

MAX

There was a meaning?

SARAH

I mean... we gave you a whole life
time to figure it out...

The room explodes into a loud debate/discussion onto what the
meaning of life is.

ZOOMING IN ON SARAH

SARAH (V.O.)

How have they not figured it out
yet!? How am I supposed to
interview things that don't know
what they are!? How-

SARAH

THANK YOU EVERYONE! Great talking
with you guy, uh.. you all can
leave now

MAX

You sure? I got plenty more ideas

SARAH

Nah, it's fine I have enough
written from you, just... get out of
here

Sarah looks down at her notebook that has nothing written on
it

KYLE

You brought us here, we can't just
leave

SARAH

Right right... just, stay here,
someone will take care of you guys
uh... thanks bye!

CAMERA LOCKED ON SARAH'S FACE

Sarah walks to God's office, thinking and stressing about
what she's gonna say

SARAH (V.O.)

What am I gonna say what am I gonna say? I have nothing I'm gonna go back to heaven OH BOSS, GOD IS SENDING ME BACK TO HEAVEN! I can't go back to heaven I'm not going to heaven I'll think of something okay uhh they want less emotions but

SARAH

Oh no, I mean, you've worked hard on them and they're pretty-

GOD

Yeah but, maybe you're right about them

SARAH

No no I never said they were the problem

GOD

Yeah but that's what you meant

SARAH

I mean...
(under her breath)
Kinda

God sits there, thinking for a second, then pressing a button. Sarah sighs in relief, face relaxed.
